CONSUMPTION OF ALCOHOL – WP COMPETITIONS

Numerous complaints from players, officials and spectators have been brought to the attention of the Executive about the drinking of players whilst participating in WP Competitions.

It has left us with no other option but to PROHIBIT the sale of alcohol to ANY member playing at ANY venue in a WP Competition from 9h00 until 12h30 (lunchtime) and thereafter when they resume play until the games have been completed.

Should any player be found drinking on a green whilst play is in progress, it is up to the Umpire or Official on Duty to call that person aside giving them a warning, or alternatively stopping them from play. Disciplinary action will follow which could result in suspension. Bar personnel will also be brought to task should they not adhere to this request.

Please treat this matter as **URGENT and SERIOUS**.

Kind regards

Graeme Kemp
President
