

DAILY HEALTH SCREENING FOR ALL CONSTANTIA BOWLING CLUB EMPLOYEES

Daily health screening for all employees will take place to prevent the spread of COVID-19 and protect our employees.

Wash your hands with soap and water for 20 seconds and wait for them to dry before picking up and completing this form.

Use your own pen.

Keep your list with you for the week. Dr Pope will check it at the end of the week.

	First Name			Surname			
	Mon	Tues	Wed	Thurs	Fri	Sat	Sun
Date: DD/MM/YYYY							
Temperature (thermometer provided):

At home or Work	H / W	H / W	H / W	H / W	H / W	H / W	H / W
Additional notes							

If you answer Yes to any of the questions or if your temperature is 37.5 or greater after two measures, 5 minutes apart, do not enter the clubhouse or if you develop any of the above symptoms at work immediately isolate yourself from your fellow workers and contact dr. Pope (082 821 6696 or 021 712 5866).

Should you display any of the above symptoms prior to work or if your temperature is 37.5 or greater after two measures, 5 minutes apart, you must stay at home and call the helpline (0800 02 9999) to assist you with the evaluation and monitoring of your symptoms.

HAND SANITISER STORAGE & USAGE

ALCOHOL-BASED HAND SANITISER IS A FLAMMABLE LIQUID

STORAGE GUIDELINES

- Store in a secure area with good VENTILATION
- Store AWAY FROM all heat sources, including (but not limited to) sparks; open flames; any types of electrical outlets, switches or equipment; and extreme heat
- Keep all containers / bottles securely SEALED
- Make sure that there are no COMBUSTIBLE MATERIALS in the storage area (cardboard, fabric cloths)
- Do not store more than 100 LITRES of hand sanitiser in the back area

SAFE USAGE

- Do not use it for any purpose other than what it is intended for.
